

Annual Volunteer Orientation **Thursday, March 31st at 5:30pm**

Have you ever wondered what it would be like to work with the US Fish & Wildlife Service? Are you someone who likes to spend spare time in the outdoors? Do you like working with people? Have you ever felt like giving back to your community, but just haven't found the right opportunity? If you answered YES to any or all of these questions, then you'd make a fabulous refuge volunteer!!!

From frog and bird surveys, interpretation and education, visitor center greeters, trail maintenance, invasive species removal, developing podcasts and text tours, creating trail maps and more, the staff at the Eastern Massachusetts National Wildlife Refuge Complex have unlimited opportunities just for you!! Refuge staff will be unveiling their upcoming dates for field opportunities. This is a great way to meet other dedicated people in the community and build lasting friendships, all while making **YOUR** local national wildlife refuges a happier and healthier place.

Whether you are a current volunteer or interested in becoming one, please join us on Thursday, March 31st at 5:30pm to learn more. Program will be held at the Visitor Center at the Assabet River NWR located at 680 Hudson Road, Sudbury, MA 01776. Light refreshments will be served.
